

Pastoral Team Covenant
Our Lady of the Assumption
April 28, 2008

Mindful of the grace that brings us together and the differing gifts which allow us to minister in many ways among the people of Our Lady of the Assumption Parish, we, the pastoral team, pledge ourselves to observe the following guidelines in our interactions as a team:

To make our meetings a high priority in our schedules, to come to each meeting prepared, and to make sure that items we add to the agenda are relevant to all or most of the staff;

To respect each other's time by starting each meeting on time and by limiting them to a maximum of an hour and a quarter, after re-bonding and shared prayer - extending their duration, if necessary, only by consensus;

To treat each other with respect, by seeking input from all and honoring the confidentiality of what is shared in the meeting, by listening actively and respectfully without side comments, by being open to giving and receiving feedback, and by receiving gracefully the concerns and reservations of others as well as their ideas and encouragement;

And to hold each other accountable to our ministries, our team, and this covenant.
